Bangalore 23rd June, ... 1942.

Dear Sir,

In submitting herewith a copy of letter No.159/18/16/Q dated 17th instant, received from the Head Quarters, Bangalore Area, regarding the lands required for the United States Air Force near the Hindustan Aircraft, I beg to state that I visited the area in company with Major Stubbs and Lieutenant W.R. Hill of the U.S.A. Air Corps on 20-6-1942. They want lands attached to the Hindustan Aircraft, between Bellandur Tank and the Aircraft, in the limits of Konena Agrahara and Belur. This measures about 71 acres and an application has already been received with your Memo No.L.A.R. 43/40-41 dated 4-6-1942 for their permanent acquisition and action is being taken in the matter. The cost of acquisition, it is understood, will be borne by the Hindustan Aircraft.

In addition to this they want to hire an extent of about 25 acres in the limits of the Vibhutipur village, opposite to the Aircraft, for building huts in the casurina grove to look like a village. The casurina grove and the adjoining open lands belong to private persons. The Military want to have these lands on lease basis. They are prepared to pay for it.

Copy.

Since they have already entered upon the land before making an application and are already building huts in the circumstances explained in the enclosed letter, sanction of Government is required for the action taken by them. I am making enquiries as to the ownership and the terms under which these lands might be secured and shall submit a further report after completing my enquiry.

Yours Sincerely,

(2) The lands required on lease basis which will be paid for by the Military Authorities are as follows :-

Sir,

Subject:- Acquisition of land for Air Force Expansion.

I have the honour to state that on receipt of Telephone Message from the Head Quarters, Bangalore Area, I interviewed Major Stubbs on 29-7-1942 and he told me that a piece of land in the Jodi Kadihalli village, between ~~Iblur~~ Tarvekere and the Hindustan Aircraft(Konena-Agrahar) was immediately needed to erect a D/Q hut and Aerial masts for the R.A.F. and that Squadron Leader Smith, R.A.F. would show me the place. I accordingly went to the place and inspected the land required. It is a piece of dry land, S.No.67 of Khayamgutta Kodihalli, just now sown with Ragi. The area required is 200 yards radius on the western side of the survey number. The owner is one Babbenna Reddy who is agreeable to allow the use of this land on payment of suitable compensation. It seems enough if he is paid a total compensation of Rs.20/- Now both for the use of the area required and the approach required to go over there.

Since the owner is agreeable to the proposal, the Military Authorities will be requested to make arrangement for the payment of this amount, if approved.

I have the honour to be,
